Apulia-Net International Networking Event

Event for Interreg IPA CBC ITALY-ALBANIA-MONTENEGRO and INTERREG ITALY-CROATIA

ENEA and **Unioncamere Puglia**, members of the Enterprise Europe Network, in partnership with **CETMA** (the Technologies Design and Materials European Research Centre), **First Zero Energy Building Network** (the Network Edifici a Consumo Zero) **Energy@Work** and **AIDA** (the Albanian Investment Development Agency), are pleased to invite you to the International Networking Event on the European Territorial Cooperation Programmes 2014-2020 “Interreg IPA CBC ITALY-ALBANIA-MONTENEGRO” and “INTERREG ITALY-CROATIA”.

The event will take place on Tuesday **14th March 2017** c/o Cetma – Cittadella della Ricerca s.s. 7 Appia Km 706+030 72100 Brindisi – ITALY.

The International Networking Event will give to all the participants opportunities to **share new ideas and concepts** with the aim of paving the way for future cooperation within the above mentioned Programmes.

The event is structured through a common plenary session where an overview of the programmes (Priority Axis, Specific Objectives, Eligible activities) is presented. In the afternoon, parallel thematic sessions will address the main pillars of the programmes, some useful case studies, and the project ideas of the participants.
